To Whom It May Concern:

WM Berg (A Regal Rexnord Brand) Compliance with REACH Statement:

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) is a European Union Commission (EUC) Regulation on chemicals and their safe use (EC 1907/2006) that was entered into force on June 1, 2007 and last updated on 17th Jan 2023. REACH's principal goal is to improve the protection of human health and environment through the better and earlier identification of intrinsic properties of chemical substances. WM Berg assures its customers that its products are in full compliance with REACH requirements.

WM Berg's products are "Articles" as defined in REACH, Article 3(3). Under REACH, "Article" suppliers must provide recipients with information on Substances of Very High Concern (SVHC) if those substances are present above a concentration limit of 0.1% on an article level. WM Berg has no knowledge that any of its products contain any of the currently listed SVHCs or Annex XIV and XVII substances.

WM Berg has reviewed the requirements of REACH for Part Number(s) sold commercially at our website; www.wmberg.com in accordance with the attached Material List and has determined the following:

- At this time WM Berg has no knowledge that our products contain any of the SVHCs which need to be pre-registered
- REACH largely does not have an impact on WM Berg as REACH is intended to target raw
- materials/chemicals and not necessarily end products.
- All WM Berg products meet the definition of "Article" under REACH.
- Registration of substances in Articles is not required under REACH for the below reasons:
 - The substances present in WM Berg products are in quantities totaling less than 1 ton
 - per producer or importer per year;
 - The substances present in WM Berg products are not intended to be released under
 - normal or reasonably foreseeable conditions of use.
 - The substances present in WM Berg products do not exceed a concentration of 0.1%
 - weight by weight (w/w).
- Our products do not contain any SVHCs or Annex XIV substances.

WM Berg is largely dependent upon our diverse supply chain for relevant chemical composition, but the above information is to the best of our knowledge accurate. WM Berg will continue to monitor our supply chain for continual compliance with the REACH directive and will inform you of any changes. If necessary, WM Berg will also continue to work with our suppliers to ensure that the European Chemicals Agency is notified of all SVHCs to comply with the REACH requirement.

This statement is provided for informational purposes only and is not intended to create legal obligations between WM Berg and external parties. WM Berg believes the information above to be true and accurate as of the date of this statement. WM Berg also believes related statements in published WM Berg compliance-related documentation, including but not limited to any material composition data, MSDS, laboratory and testing reports, to be valid and accurate as at the date of this statement, but makes no representation to the completeness or accuracy of information provided herein to the extent such information is provided by WM Berg's third party suppliers.

A handwritten signature in blue ink, appearing to read 'Kishan', with a stylized flourish extending from the end.

Material / Finish	Chemical Composition	RoHs	REACH	JIG Complaint?	Where Used	Spec.
301 Stainless Steel		Yes	Yes	Caution (2)	Gears, Shafts	ASTM A484; ASTM A582
302 Stainless Steel(18-8)		Yes	Yes	Caution (2)		MIL-S-862
302 Stainless Steel - Spring Tempered		Yes	Yes	Caution (2)	Springs, Retaining Rings	MIL-W-6713
303 Stainless Steel		Yes	Yes	Caution (2)		MIL-S-862
304 Stainless Steel		Yes	Yes	Caution (2)		MIL-S-862
316 Stainless Steel, Sintered		Yes	Yes	Caution (2)		MIL-S-5059
17-7PH		Yes	Yes	Caution (2)		
17-4PH		Yes	Yes	Caution (2)		
416 Stainless Steel		Yes	Yes	Yes	Racks	ASTM A484; ASTM A582
410 Stainless Steel		Yes	Yes	Yes		MIL-S-862
440 Stainless Steel		Yes	Yes	Yes	Ball Bearings	QQ-S-763/c Class 10 Type A
420 Stainless Steel		Yes	Yes	Yes		MIL-S-862
Stainless Steel Cable		Yes	Yes	Yes		
2024 T4 Aluminum		Yes	Yes	Yes	Gears, Hangers, etc.	QQ-A-225/6
2024 T351 Aluminum		Yes	Yes	Yes		
6063 T5 Aluminum		Yes	Yes	Yes		
6061 T6 Aluminum		Yes	Yes	Yes		
108 Aluminum (Cast)				Obsolete		
Phosphor Bronze		No				
Bronze, Sintered		Yes	Yes	Yes		MIL-B-5687
464 Naval Brass Alloy		Yes	Yes	Yes	Worm Wheels	QQ-B-637
Brass-Porous		Yes	Yes	Yes	Bearings	MIL-B-5687 Type 1 Comp. A
Brass(laminated)		Yes			Shims	MIL-S-22499 Comp. 2CL. 1
713.0 Aluminum Casting, Tenzaloy				Obsolete		
Zinc Alloy B86, AG40A		Caution(1)	Yes	Caution(1)	Retaining Rings	MIL-C-6942
Beryllium Copper		Yes				MIL-C-6942
52100 Chrome Steel		Yes	Yes	Yes		MIL-S-980
12L14 Steel		Yes	Yes	Yes		
4140 Steel		Yes	Yes	Yes		
1095 Steel		Yes	Yes	Yes		
1060 Steel		Yes	Yes	Yes		MIL-S-16974
8620 Steel		Yes	Yes	Yes		MIL-S-16974
Galvanized Steel Cable		Yes	Yes			
Polyacetal		Yes				
Polyacetal, with lubricant fibers		Yes				
Polycarbonate		Yes				
Polycarbonate, glass filled-10%		Yes				
Nylon		Yes			Gears	MIL-M-20693 Type 1 Comp A.
Phenolic		No			Gears	MIL-P-15035 Type FBE
Polyurethane		Yes			Gears, Rollers, Bearings	
Plexiglass		YES			Dial Index's	MIL-P-5425
Oil		Yes			Gears and Bearings	MIL-L-6085
Grease		Yes			Gears and Bearings	MIL-G-23827
